

Equality and diversity monitoring form

We are committed to having a workforce that promotes equality and celebrates diversity. To help us monitor and achieve this, we gather and use information about job applicants and our workforce. This helps us to continually improve our employment policies and to remove barriers to employment.

The information you give is confidentially managed. It is not shared with the recruiting panel and does not affect your job application.

It will help us if you provide as much information as possible, but if you do not wish to answer any questions, please leave them blank.
