The Chair had requested the Clerk to advise councillors regarding potential interests in this matter and referred to the additional advice from Cornwall Council Legal Services.

It was proposed by Councillor Evans, seconded by Councillor Carmichael and

**RESOLVED** that the minutes of the Planning and Licensing Committee held on 23<sup>rd</sup> February 2026 be approved as a correct record of the proceedings and signed by the Chair.

P6467 **PLANNING APPLICATIONS**

Members considered a list of planning applications which had been commented on by the Chair and Vice-Chair, under the delegated procedure agreed in accordance with Minute 6/2474 of the meeting held on the 3<sup>rd</sup> April 2000 and amended by Minute P3017.

P6468 **PA25/01598 – FALMOUTH DOCKS**

Members received presentations from both the applicant and objectors and were able to ask questions to both parties. A full discussion ensued.

It was proposed by Councillor Carmichael, seconded by Councillor Clegg and

**RESOLVED** on the casting vote of the chair that the Town Council's previous decision and reasons for support stand, recommend approval as the redevelopment and modernisation of the existing infrastructure is necessary to secure the future of the Docks, consistent with policies BE1 and BE2 of the Falmouth Neighbourhood Development Plan which incorporates the Falmouth Harbour Plan, with the additional comment that vehicle movements removing dredged material be managed to a minimum.

Councillor Howes requested that his name be recorded as having voted against the proposal.

A motion by Councillor Howes that the Town Council object to the proposal on the grounds of noise and air pollution, traffic, and social economic impact, was lost. An amendment by Councillor Evans to that motion to also include the detrimental impact on the town from Airflow assembly was not seconded.

A second motion by Councillor Howes that Councillor Magowan call the planning application in by Cornwall Council was withdrawn as it was inappropriate to fetter the Councillor in that way.

A motion by Councillor Jewell that the Committee restates its previous comments was not seconded.

Extension to dwelling including new openings and replacing windows and doors  
11 Boscawen Road, Falmouth.

Recommend refusal as the proposal does not respect the character of the existing building which has architectural merit. It destroys the hipped roof character and removes the canted tile hanging. This loss of character is compounded by an oversized French door and over-large first floor window. As such, the proposal is in breach of Neighbourhood Development Plan Design Policies DG3 and DG7.

2. **Penwerris** [PA26/00646](#) **Mr Dan Plimmer**  
(Case Officer: Abbie Franklin – [Abbie.Franklin@cornwall.gov.uk](mailto:Abbie.Franklin@cornwall.gov.uk))

(Case Officer: Chloe Britten – [Chloe.Britten@cornwall.gov.uk](mailto:Chloe.Britten@cornwall.gov.uk))  
Construction of a composite decked terrace and external walkway to the rear of the property, providing direct access to the existing upper level of the rear garden, together with a new opening at first floor level on the north (side) elevation.  
5 St Pirans Court, Pikes Hill, Falmouth.

Recommend deferral to allow for impact assessment on public right of way.

5. **Penwerris** [PA26/01241](#) **Mr & Mrs Johnson**  
(Case Officer: Abbie Franklin – [Abbie.Franklin@cornwall.gov.uk](mailto:Abbie.Franklin@cornwall.gov.uk))

Proposed Extension & Modifications to Existing Dwelling.  
17 Gyllyngvase Terrace, Falmouth.

Recommend refusal due to over development and out of character with the Conservation Area that is in breach of Neighbourhood Development Plan Policies DG3 and DG7. Policy DG11 is also contravened as the view from Cliff Road would be of large areas of glass and totally out of character with the area.

- 7. Penwerris** [PA26/01099](#) **Mr T Anik**  
**(Case Officer: Helen Trebilcock – [Helen.Trebilcock@cornwall.gov.uk](mailto:Helen.Trebilcock@cornwall.gov.uk))**  
Advertisement consent for the retention of profile cut acrylic/aluminium letters mounted on aluminium composite panel, Steel Mesh, vinyl stickers and retractable canopy.  
Chicken Point, 7 Killigrew Street, Falmouth.

Recommend refusal as the proposal fails to conform to Neighbourhood Development Plan Policy DG5 'Shop front design and signage'. It also fails to follow Cornwall Council's 'Cornwall Shopfront Design Guide'. It is completely out of character with the Conservation Area. The proposal has no merit and would cause significant harm to the surroundings.
