**Decision Making Legal Advice (for noting)**

Members have received training on the Code of Conduct, predetermination and bias and therefore, will be aware of their responsibility to determine planning applications on the basis of the information before them at the meeting. Members are reminded that the decision making role must be approached with an open mind as to the merits of the arguments for and against the application, which they must take into account before making a final decision at the meeting. Members are further advised that they must not predetermine, or be seen to have predetermined, the outcome of an application and that the information they receive at the meeting is therefore the basis on which they should make their decision.
