FALMOUTH TOWN COUNCIL

STANDING ORDERS

APRIL 2018

Approved: 21st May 2018

Minute: C 5027

How to use these standing orders

Standing orders are the written rules of the council. They are used to confirm the council's internal organisational, administrative and procurement procedures and procedural matters for meetings. They are not the same as the policies of the council but they refer to them. A local council must have standing orders for the procurement of contracts.

Meetings of full councils, councillors and the Responsible Financial Officer and Proper Officer are subject to many statutory requirements. So the council should have standing orders to confirm those statutory requirements. The council has standing orders to control the number, place, quorum, notices and other procedures for committee and sub-committee meetings because these are subject to fewer statutory requirements. If it does not, committees and sub-committees may adopt their own standing orders.

Standing orders that are in bold type contain statutory requirements. Standing orders not in bold are there to help the council operate effectively but do not contain statutory requirements so they have been designed to suit the council's needs. For convenience, the word "councillor" is used in standing orders and includes a non-councillor with or without voting rights unless otherwise stated.

The standing orders do not include the council's financial regulations but they are attached at Appendix 4. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the Responsible Financial Officer.

Standing orders, financial regulations and council policies are issued to all councillors and these standing orders should be used in conjunction with the Council's financial regulations, code of conduct and all policies and procedures duly adopted by the Council. Further copies of standing orders may be obtained from the Town Clerk.

Code of Conduct

For

Falmouth Town Council

Approved : 1st July 2012

Minute: C4115

Reaffirmed: 19th September 2016 (C4763)

Code of Conduct for Members

General principles of public life

The Localism Act 2011 requires the Council to adopt a Code of Conduct for Members that is consistent with the following principles:

Selflessness – members should serve only the public interest and should never improperly confer an advantage or disadvantage on any person.

Honesty and integrity – members should not place themselves in situations where their honesty and integrity may be questioned, should not behave improperly, and should on all occasions avoid the appearance of such behaviour.

Objectivity – members should make decisions on merit, including when making appointments, awarding contracts, or recommending individuals for rewards or benefits.

Accountability – members should be accountable to the public for their actions and the manner in which they carry out their responsibilities, and should co-operate fully and honestly with any scrutiny appropriate to their particular office.

Openness – members should be as open as possible about their actions and those of their authority, and should be prepared to give reasons for those actions.

Leadership – members should promote and support these principles by leadership, and by example, and should act in a way that secures or preserves public confidence.

Falmouth Town Council also expects its Members to observe the following principles:

Personal judgement – members may take account of the views of others, including their political groups, but should reach their own conclusions on the issues before them and act in accordance with those conclusions.

Respect for others – members should promote equality by not discriminating unlawfully against any person, and by treating people with respect, regardless of their race, age, religion, gender, sexual orientation or disability. They should respect the impartiality and integrity of the authority's statutory officers and its other employees.

Duty to uphold the law – members should uphold the law and, on all occasions, act in accordance with the trust that the public is entitled to place in them.

Stewardship – members should do whatever they are able to do to ensure that their authorities use their resources prudently, and in accordance with the law.

Whilst these overriding principles are not formally part of the Code of Conduct they underpin the purpose and provisions of the Code of Conduct and are principles in accordance with which Members should conduct themselves.

Introduction and Interpretation

1. This Code of Conduct has been adopted by Falmouth Town Council to support its duty to promote and maintain high standards of conduct by Members of the Council as required by the Localism Act 2011.

2. In this Code:

"Member" includes an elected member and a co-opted member

"Monitoring Officer" means the Monitoring Officer of Cornwall Council. This is because the Localism Act 2011 requires the Monitoring Officer of the principal council to discharge certain ethical standards responsibilities in relation to the local councils in their area.

"meeting" means any meeting of the Council and any of the Council's committees, sub committees, joint committees with other authorities or other formal meetings

"disclosable pecuniary interest" means an interest described in Part 5A of this Code and which is an interest of a Member or an interest of (i) that Member's spouse or civil partner; (ii) a person with whom that Member is living as husband or wife; or (iii) a person with whom that Member is living as if they were civil partners, and that Member is aware that that other person has the interest

"non-registerable interests" mean an interest as defined in Part 5B of this Code

"dispensation" means a dispensation granted by the Council or other appropriate person or body which relieves a Member from one or more of the restrictions set out in sub-paragraphs 3(5)(i), 3(5)(ii) and 3(5)(iii) of Part 3 of this Code to the extent specified in the dispensation

"register" means the register of disclosable pecuniary interests maintained by the Monitoring Officer of Cornwall Council

"sensitive interest" means an interest that a Member has (whether or not a disclosable pecuniary interest) in relation to which the Member and the Monitoring Officer consider that disclosure of the details of that interest could lead to the Member, or a person connected with the Member, being subject to violence or intimidation

"interest" means any disclosable pecuniary interest or any non-registerable interest where the context permits

3. This Code is arranged as follows:

Part 1	Application of the Code of Conduct
Part 2	General obligations
Part 3	Registering and declaring interests

PUBLIC SPEAKING AT PLANNING COMMITTEE

Members of the public have the right to speak at meetings of the Planning Committee during the consideration of planning applications. The purpose of the right to speak is to give members of the public the opportunity to make their views known directly to the Committee. They can still write to the Council if they prefer, or in addition to speaking.

Those entitled to speak can be objectors, applicants, their agents and supporters.

Please remember the Council is a Consultee and you must ensure that you notify the Planning Authority direct if you wish to object to planning applications. You should provide them in writing within the specified time period to:

Planning – Central One
Cornwall Council
Pydar Street
Truro
TR1 1EB

Planning applications can be viewed online at www.cornwall.gov.uk

When are meetings

Meetings of the Planning Committee are held on a Monday at 6.00pm. A schedule can be obtained from the Council offices or viewed at www.falmouthtowncouncil.com. If you wish to speak you will need to contact the Council's Administrative Officer, preferably in writing or email, although a telephone call will suffice, by no later than 12 noon on the day of the meeting. The Administrative Officer will then make a list of those wishing to speak, in the order they contact the Council.

How to find out if your application is being considered

Planning applications reported to the Committee will be included in Appendix I or Appendix II. Those included in Appendix I will be reported with a recommendation from the Chairman and are voted on en bloc. If you wish to talk to an Appendix I application you will need to speak to your local Councillor before the meeting to ensure that s/he requests to the Chairman that it is considered in Appendix II.

Planning Committee agendas are available to view at the Council Offices, online, or the public notice board at the Municipal Buildings on the Tuesday preceding Committee. Occasionally late received applications are added to the agenda on a Friday and you are advised to check on the day of the meeting for a comprehensive list of applications for consideration.

Order of speaking

The Officer attending or Chairman will introduce the application, followed by other speakers in the following order:

- Applicant or agent
- Objectors
- Supporters
- Cornwall Councillors (not usually time constrained)
- Falmouth Town Councillors (not usually time constrained)

Members of the Committee may question each speaker to clarify points. There will then be a debate and the Council will formulate observations for submission to the Planning Authority.

Time limit – minor applications

There is a time limit of five minutes for each group of speakers. If there is more than one interested party wishing to speak, the Council will advise them that they should co-ordinate their presentation. If they are unable to do so, the first person registering will be allotted three minutes. At the Chairman's discretion a further total of two minutes will be available to remaining speakers, if they are adding new points. It is the responsibility of speakers to co-ordinate presentations.

Time limit – major applications

The time limits are as above. However occasionally an applicant or agent for a major development may be invited to present his proposals to the Committee, and s/he will be allowed a period of fifteen minutes with member questions thereafter.

Can questions be asked of other speakers

You may include questions in the time allocated to you but the Committee has no powers to require other speakers to answer your questions, they may answer your questions if they choose in their allocated time but there will be no debate. Generally it is better if you seek to have questions answered outside the meeting and to state your interests / points on the basis of the information given to you.

You must not interrupt other speakers nor interrupt the Committee debate. All speakers must speak to the Chairman, respect the Chairman and respond to instructions accordingly.

The Chairman will invite speakers to speak and they will stand to address the Committee (unless infirmity prevents them).

Institute of Risk Management (IRM)

2.2 The Council's aims for this Risk Management Policy are:

- To manage risk in accordance with best practice to preserve and protect the Council's assets, staff and reputation;
- To minimise loss, injury and damages and reduce cost of risks;
- To ensure appropriate actions are taken to address identified risks;

- To further develop risk management and raise its profile across the Council integrating risk management into the culture of the organisation.

3 What is the Council's Philosophy on Risk Management?

3.1 Risk management Policy Statement

Falmouth Town Council recognises that, in addition to its statutory duties, there are cogent moral and economic reasons to take all practicable and reasonable measures to safeguard people and the natural and built environments.

Whilst it is acknowledged that risk cannot be totally eliminated it is accepted that much can be done to reduce the extent of injury, damage and financial loss. Therefore, Falmouth Town Council is committed to identifying, reducing or eliminating the risks to both people and the natural and built environments.

The Council will carry insurance in such amounts and in respect of such perils as will provide protection against significant losses, where insurance is required by law or contract and in other circumstances where risks are insurable and premiums cost-effective.

The Council will seek to embed effective risk management into its culture, processes and structure to ensure that opportunities are maximised. The Council will seek to encourage managers to identify, assess and manage risks and to learn to accept the right risks.
