Minutes of a Meeting of the Finance and General Purposes Committee held in the Council Chamber, Municipal Buildings, The Moor, Falmouth on Monday 25th November 2019 at 7.00pm.

Present:

Councillors R J O'Shea (Chairman), B M A Ross (Vice-Chairman), R J Bonney,

L D Coley, S D Eva, G F Evans CC MBE, A J Gillett, A J Jewell CC, P A Minson,

A Parker, J C Robinson, D W Saunby CC and J M Spargo

In Attendance: A M Williams

(Town Clerk)

R N Thomas

(Finance Officer)

Councillor J Kirkham

(Cornwall Council)

C Leyshon and C Stephens

(Grant applicants)

F6339 APOLOGIES

Apologies for absence were received and approved from Councillors Chappel (holiday) and Morgan (ill).

F6340 **INTERESTS**

Councillor Eva declared a non disclosable interest in the grant application by Callum Stephens (Minute F6342) as he was a friend of Callum's father, he left the meeting during the consideration thereof.

F6341 MINUTES

It was proposed by Councillor Ross, seconded by Councillor Coley and

RESOLVED that the Part I minutes of the meeting held on 14th October 2019 be confirmed as a correct record of the proceedings and signed by the Chair.

F6342 GRANT APPLICATIONS

It was proposed by Councillor Minson, seconded by Councillor Parker and

RESOLVED that the grant request be not considered but that individual Councillors use their Community Chest allowances to meet the £500 costs associated with the set up of Falmouth Parkrun.

It was proposed by Councillor Bonney, seconded by Councillor Jewell and

RESOLVED that the grant request be not considered but that individual Councillors use their Community Chest allowances to meet the £400 requested by Callum Stephens as a representative of Falmouth on the Cornwall Cricket Under 15 Tour to the West Indies in 2020.

The grant schedule for 2019/20 was duly noted.

F6343 RISK ASSESSMENT

The update meeting with Zurich Customer Account Manager for the Council's Insurer was duly noted as was the renewal requirements for April 2020.

F6344 PEER REVIEW

The Town Clerk outlined the arrangement for the National Peer Review of the Council on $10^{th} - 12^{th}$ February 2020 which was duly noted.

F6345 FINANCE SUB-COMMITTEE

It was proposed by Councillor Jewell, seconded by Councillor Eva and

RESOLVED that the minutes and recommendations of the Sub-Committee (attached) dated 5th November 2019 be approved.

F6346 CEMETERIES WORKING PARTY

It was proposed by Councillor Ross, seconded by Councillor Bonney and

RESOLVED that the minutes and recommendations of the Working Party (attached) dated 11th November 2019 be approved.

F6347 KIMBERLEY PARK LODGE

The Chairman of the Kimberley Park Working Party reported an update regarding community usage of the Lodge.

It was proposed by Councillor Robinson, seconded by Councillor Coley and

RESOLVED that in principle the Council moves forward the development of the Lodge with Source FM and Alex Bradshaw for community studios and café, subject to costs, contract and procurement requirements. A peppercorn rent arrangement with Source FM subject to them sourcing external capital funding and responsibility for all ongoing and operating costs, and a fee to be agreed regarding café operation.

F6348 COMMUNITY GOVERNANCE REVIEW

Councillors Jewell, Kirkham and Saunby updated the Council regarding the recommendations of the Cornwall Council Community Governance Review Panel following the submission of the Town Council. Councillor Jewell advised he would submit an amendment to ensure the A39 boundary be implemented as requested by the Town Council and the proposals were 'future-proofed'.

It was proposed by Councillor O'Shea, seconded by Councillor Eva and

RESOLVED that the Council supports Councillor Jewell's proposed amendment and recognises the extension to the west (Bickland Water Road) was logical but did not future proof the boundary as required.

F6349 ENVIRONMENTAL AUDIT

Councillor Robinson requested the Council undertake an Environmental Audit to reduce its carbon footprint. The Chairman felt this should include paper reduction measures supporting the Council's democratic process.

It was proposed by Councillor Robinson, seconded by Councillor Coley and

RESOLVED that the Council commissions an Environmental Audit.

It was further proposed by Councillor O'Shea, seconded by Councillor Eva and

RESOLVED that the Council reduces its paper publishing of agendas and investigates the costings for issuing individual electronic devices to Councillors, publishing agenda links and displaying agenda on screens at meeting.

F6350 WATER FOUNTAIN AND FITZROY BAROMETER

Councillor Parker updated the Council on the proposal to refurbish and re-site the Water Fountain as a bottle refill point and the historic Fitzroy Barometer at Custom House. Both artefacts had been gifted to the town but had fallen into disrepair. For the scheme to move forward the Town Council would need to adopt the assets.

It was proposed by Councillor Parker, seconded by Councillor O'Shea and

RESOLVED that the Council fully supports the proposal, adopts the ownership and responsibility of the artifacts and meets the cost of water supply.

F6351 FALMOUTH NEIGHBOURHOOD PLAN

It was proposed by Councillor Jewell, seconded by Councillor Parker and

RESOLVED that the progress of the Plan through assessment be noted and the attached responses to the Assessors be endorsed.

F6352 TOWN COUNCIL PRECEPT

The taxbase information was duly noted and the intention of Cornwall Council to pay the precept in two tranches n April and September 2020. They required precept level to be notified by 31st December 2019. The Council Tax Support Grant had been set at £67,288.88, and the Government did not intend to apply Council Tax Referendums in 2020/21.

It was noted that Cornwall Council had advised business rates relief of public toilets would be applied but this was in error and was premature.

F6353 INTERNAL AUDIT 2019/20

It was proposed by Councillor O'Shea, seconded by Councillor Ross and

RESOLVED that the Interim Audit report by the Council's Internal Auditor be received and the recommendations noted and enacted where required.

F6354 LOCAL MAINTENANCE PARTNERSHIP 2020/21

The Cornwall Council grant of £402.71 and South West Coast Path amount of £2,103.36 was duly noted.

F6355 **DRAFT BUDGET 2020/21**

Pursuant to Minute F6329 the Council further considered its draft budget, and debated this at length.

The Town Clerk and Finance Officer strongly recommended the replenishment of reserve levels as identified by the Council's Internal Auditor.

The Town Mayor wished to raise a matter that was confidential, so it was proposed by Councillor Eva, seconded by Councillor Saunby and

RESOLVED that the press and public be temporarily excluded from the meeting in the public interest for the following business as it involves the consideration of property funding and contractual matters.

The Town Mayor and Councillor Kirkham reported on the Falmouth Place Shaping proposals, that may have a bearing on the 2020/21 Council budget.

It was proposed by Councillor Eva, seconded by Councillor Saunby and

RESOLVED that the press and public be readmitted to the meeting.

The debate on draft budget continued and Councillor Robinson proposed that the Committee move to the vote.

It was proposed by Councillor O'Shea, seconded by Councillor Robinson and

RESOLVED that the Council agrees its budget for 2020/21 as attached at £2,547,522 and the Council be recommended to set its precept at £2,190,405.70. In addition a second budget option be prepared including an additional amount of £50,000 for Place Shaping projects.

F6356 MAKING SPACE FOR NATURE

The Town Clerk reported the progress of the Council supported project sites at The Beacon, Lambs Lane Estate and Swanvale Open Space. Tregoniggie Woods was the reserve list project site.

In regards to Prislow Woods meetings had now taken place with South West Water, residents and the Friends Group.

It was proposed by Councillor Jewell, seconded by Councillor Eva and

RESOLVED that the reports be noted and that the Council proceeds to request the lease of the land at a peppercorn rent from South West Water to enable the Friends of Prislow Woods to reinstate access and the footpath, meeting the Falmouth Neighbourhood Plan 'Green Corridor' aspiration.

F6357 CCLA

The Town Clerk had met with the CCLA Relationship Manager regarding the Council's investment and performance of the Property and Deposit funds. The reports and factsheets were duly noted.

F6358 TOWAGE AND ALVAGE IN THE SOUTH WEST APPROACHES

The Councils representations in this matter and the response of the Maritime and Coastguard Agency was duly noted.

F6359 POLLING DISTRICT AND POLLING PLACES ORDER

The update regarding the approval of the Order and its partial implementation for the General Election on 12th December 2019 was duly noted.

F6360 ACCOUNTS AND PETTY CASH

It was proposed by Councillor O'Shea, seconded by Councillor Ross and

RESOLVED that the Accounts and Petty Cash Schedules for October 2019 (attached) be approved.

F6361 EXCLUSION OF THE PRESS AND PUBLIC

It was proposed by Councillor O'Shea, seconded by Councillor Parker and

RESOLVED that the press and public be excluded from the meeting in the public interest for the following business as it involves the consideration of property, funding and contractual matters.

Minutes of a meeting of the Finance Sub-Committee of the Finance and General Purposes Committee held at the Town Council Office, Old Post Office, The Moor, Falmouth on Tuesday 5th November 2019 at 3.00pm.

Present:

Councillors R J O'Shea (Chairman), S D Eva and P A Minson.

Councillor R J Bonney also attended.

In Attendance: A M Williams

(Town Clerk)

R N Thomas

(Finance Officer)

C S Marshall

(Visitor and Information Assistant)

FS204 APOLOGIES

None received.

FS205 INTERESTS

None received.

FS206 THE ATHERTON SUITE

The Visitor and Information Officer reported upon progress and usage to date for the venue and recommended that the fee schedule be further refined in light of that experience.

The Finance Officer reported that fire escape works would be completed in January 2020 and a quote for stairwell flooring was awaited. PA system and projection equipment were awaiting fault remedies. Three phase electrical supply connection was imminent.

It was proposed by Councillor Eva, seconded by Councillor O'Shea and

RESOLVED that

- (i) the fee schedule as attached be operable for the venue booking
- (ii) the Visitor and Information Officer be delegated to use discretion regarding the application of the fees to ensure community use, and to liaise with the Town Manager regarding fee application where necessary
- (iii) usually £2 per person be applied for tea and coffees for bookings. Users to be permitted to supply their own
- (iv) the Multi-Skilled Operative appointment to assist with room set up and take down
- (v) promotion and advertising to be undertaken and directed by the Visitor and Information Officer once room completed
- (vi) civil ceremony applications be undertaken by the Visitor and Information Officer when capacity allowed
- (vii) community open days be scheduled for early 2020
- (viii) inventory file to remain in venue be prepared by the Visitor and Information Officer.

FS207 **DRAFT BUDGET 2020/21**

It was proposed by Councillor O'Shea, seconded by Councillor Eva and

RESOLVED that

- (i) the draft 2020/21 budget be prepared as considered by the Finance and General Purposes and Cultural Services Committees to date
- (ii) Service Heads meet with the Finance Sub-Committee to further develop proposals if required.

CWP 113 CEMETERY REGULATIONS AND MEMORIAL POLICY

The Administration Officer reported the need to update the Cemetery Regulations and Memorial Safety Policy to enable the Council to address unauthorised items on graves and unstable memorials. Cemetery signage to notify the public of the enforcement is to be installed shortly.

It was proposed by Councillor Ross, seconded by Councillor Saunby and

RESOLVED that the Cemetery Regulations and Memorial Safety Policy be adopted, as attached.

There being no further business to transact the Chairman closed the meeting at 4.50pm.

TOWN OF FALMOUTH

REGULATIONS - LAWN CEMETERY

In accordance with the Local Government Act 1972, Schedule 26 and the Local Authorities Cemeteries Order 1977, the Falmouth Town Council being the Burial Authority for the Parish of Falmouth resolved at their meeting on 21st January, 1991 that the following Regulations will operate with regard to the erection of monuments, headstones and the provision of flower vases in the Falmouth Lawn Cemetery situated at Swanpool Road, Falmouth.

For the purpose of these regulations, 'The Council' means Falmouth Town Council and 'Memorial' means any headstone, monument, cross, flatstone, kerbing or any other erection placed for the purpose of a memorial over any grave.

1. General Information

- 1.1 No headstone shall exceed the erected height above ground level of 2 foot 6 inches and the width shall not be greater than 2 foot 9 inches.
- 1.2 No headstone shall exceed 6 inches in thickness and the base 3' x 12"
- 1.3 The plinth of the headstone shall not exceed 3 feet in length and one foot 3 inches in width.
- 1.4 To permit the Cemetery to be laid out and maintained on the lawn-type principles, there shall be no kerbstones, planting or other ornamentation in front of the plinth on graves.
- 1.5 No planting of flowers or shrubs shall be carried out except between the headstones and then only within the limits of the width of the plinth thereof and in such manner that the flowers or shrubs shall not overhang or encroach upon the grass area in front of the headstones.
- 1.6 No receptacles other than flower vases (non glass for safety reason) specially designed for the purpose may be placed on grave spaces and then only between the headstone and within the limits of the width of the headstone plinths.
- 1.7 No monuments, headstone or flower vase shall be permitted without the consent of the Council and upon payment of the prescribed fees and deposit of the appropriate application form plus detailed sketch of the memorial (which includes all measurements above and below ground, width and depth of plinth etc.).

- 1.8 The Council reserves the right to remove from any grave any unauthorised items left on or around the grave space. Best efforts will be made to ensure that the owner of the grave will be informed in writing and the items will be retained at the cemetery for collection for 1 month. If the items are uncollected or they have to be removed on more than one occasion, the Council reserves the right to dispose of these items at its discretion without further consultation. It is the grave owner's responsibility to ensure their contact details on record with Falmouth Town Council are kept up to date.
- 1.9 The Council reserves the right to remove and dispose of any floral tributes, plants etc that have withered and died or have become unsightly on any grave. Christmas wreaths will normally be removed by the beginning of February.
- 1.10 All monuments, headstones and flower vases shall remain at the sole risk of the owners of the graves and the Council shall not be responsible for any damage or breakage which may occur to the same. No memorials of any description will be allowed to be taken from the Lawn Cemetery except by a permit issued by the Burial Officer.
- 1.11 Wooden crosses are permitted as temporary grave markers until such time as you decide to place a permanent memorial, then the temporary grave marker should be removed. An application form for all proposed temporary memorials must be submitted to Falmouth Town Council for approval and all appropriate fees paid, prior to any works being undertaken on site. This form will usually be submitted by an accredited Memorial Mason and should include measurements of the temporary memorial.
- 1.12 Only one headstone / memorial per grave space is allowed and must be in accordance with the Council's Memorial Regulations.
- To ensure all memorial works comply and conform to BS8415 Standards all permanent memorials are to be constructed and installed by a Monumental Mason who is accredited to the British Registration of Approved Monumental Masons Scheme (BRAMM) or National Association of Memorial Masons (NAMM) to include registration on the Register of Qualified Memorial Fixers (RQMF).
- 1.14 No work is to take place in the cemetery before 8.30 a.m. and after 5.00 p.m. or sunset (whichever is sooner) unless agreed otherwise by the Cemetery Operative. No work will take place on Saturdays, Sundays or any bank or public holidays, except by agreement with the Council. Monumental Masons will be required to suspend work for the duration of a funeral.
- 1.15 Any damage done in connection with the erection of a memorial must be made good by the person erecting the memorial and the site left in a safe and tidy condition.
- 1.16 The responsibility for the safety and upkeep, including repairs to any gravestone or memorial remains solely with the owner(s) of the grave or their successor(s) in title.
- 1.17 The Council will make regular checks of memorials in accordance with its Memorial Safety Policy. Any memorial found to be unstable will be made safe by Falmouth Town Council staff. This may include being sunk into the ground vertically, laid flat, cordoned off, stake and banded, covered with yellow tape to warn visitor of a danger. The Council reserves the right to sink memorials into the ground or lay flat unsafe memorials at its discretion if the owner or successor cannot be found or refuses to arrange repairs.

2. Erection of a Headstone / Memorial

2.1 A permanent memorial can be erected on a new grave 12 months after the burial has taken place to allow for the ground to settle.

- An application form for all proposed memorials and inscriptions must be submitted to Falmouth Town Council for approval and all appropriate fees paid, prior to any works being undertaken on site. This form will usually be submitted by an accredited Memorial Mason and should include detailed sketch and measurements of the memorial.
- 2.3 No memorial is to be installed unless a permit has been granted. On receipt of permit accredited Monumental Masons to liaise with the Cemetery Operative, when to attend the site to undertake the work, check the permit detail with him, and agree with him the correct grave/permit location before commencing any work or removing any memorial.
- 2.4 The responsibility for the safety and upkeep, including repairs to any gravestone or memorial remains solely with the owner(s) of the grave or their successor(s) in title and the Council recommends that grave owners obtain a guarantee from the Memorial Mason for all work they carry out and arrange for the Memorial Mason to check the memorial for defects every 5 years.
- 2.5 Repairs to memorials are to be carried out by an accredited Memorial Mason. An application for permission to carry out repairs should be submitted to the Town Council.
- All memorials (including memorials being re-fixed after a burial has taken place and those found to be unsafe after memorial testing has taken place) are to be fixed in line with the National Association of Memorial Masons (NAMM) approved standard and code of safe working practice. This states the minimum requirements for the fixing of memorials.
- 2.7 If an additional inscription involves the supply and fixing of a new plinth or further section of stone then a sketch of the proposed stonework showing details is to be supplied and approved by the Council as per 2.1 above.
- 2.8 Additional 'free-standing' / unattached plinths or non-fixed stonework etc will not be permitted.
- 2.9 Pursuant to the Local Authorities Cemeteries Order 1977 the Town Council reserves the right to remove any unauthorised memorial.
- 2.10 Any unauthorised work is undertaken at the persons own risk.

3. Exclusive Rights of Burial

- 3.1 By Article 10(6) of the Local Authorities Cemeteries order 1977, no body must be buried, or cremated remains interred or scattered, in or over any grave or vault in which an exclusive right of burial for the time being subsists except by, or with the consent in writing of, the owner(s) of the right.
- 3.2 The lease period for granting of Exclusive Rights of Burial is 100 years and the grant can be issued in single or joint ownership (up to a maximum of three individuals)
- 3.3 The Exclusive Rights of Burial must be purchased before a memorial can be placed on a grave space.
- 3.4 Written consent for any memorial works is required from the owner(s) of the Exclusive Rights of Burial to be submitted to the Council. In the case of multiple ownership all signatures will be required to erect a memorial.

3.5 Transferring of Exclusive Rights of Burial may be assigned by Deed or bequeathed by Will for which sight of a legal document is required by the Council. A Form of Assignment is issued by the Council at the time of purchase of the Exclusive Rights of Burial. Further information regarding the procedure for the transfer of ownership during the life of the registered owner can be obtained from the Council Office.

4. Vandalism

4.1 The Council does not accept any liability in the event of the memorial being vandalised.

5. Safety of Memorials

- 5.1 Under the provisions of the Health and Safety at Work Etc Act 1974 and associated legislation and in accordance with the Local Authorities' Cemeteries Order, 1977, the Council is obliged to assure safety within the Cemetery and to have a documented memorial inspection programme in place. The inspection programme will identify unsafe memorials and ensure that they are made safe by whichever method is appropriate. There is also a requirement for the Authority to ensure that new memorials are properly and securely erected to ensure long-term safety of visitors to the cemetery.
- 5.2 The Council will carry out a programme of regular checks of memorials in accordance with its Memorial Safety Policy. When a memorial has been identified as unsafe at any time the Council has a legal right and obligation, under the Local authority Cemetery Order 1977, to remove any danger immediately and the memorial will be sunk into the ground vertically or laid flat to make it safe. We will make every effort to contact the Exclusive Right holder, requesting them to carry out the necessary repair. Further information on this programme of memorial safety testing is available from the Council Offices.
- 5.3 The Council reserves the right to sink memorials into the ground, lay flat or remove unsafe memorials at its discretion if the owner or successor cannot be found or refuses to arrange repairs.

6. Opening of Adjacent Graves

When a grave is prepared the excavated soil is placed to the side of the grave. If there is unused land to the side of the grave then the soil will be placed there. However when opening a grave between two existing graves, it may be necessary to place the soil on one of the adjacent graves. The surface of the grave will be protected by boards and the soil placed on them and after the burial has taken place the whole area will be cleared and left in a neat and tidy state.

Occasionally it will be necessary to remove a memorial for health and safety reasons and/or access for excavation. The Council will contact the Exclusive Right holder in these circumstances to inform them and the Council would cover the cost of the removal and re-fixing of the memorial after the burial has taken place.

7. Review and Amendment of Regulations

7.1 These Regulations form part of the Regulations and Scale of Fees and Charges applicable to the management of the Falmouth Cemeteries under the jurisdiction of the Falmouth Town Council who reserve the right to alter or vary the foregoing Regulations or to deviate therefrom in any particular instance if it shall appear to the Council desirable so to do.

TOWN OF FALMOUTH REGULATIONS - GARDEN OF REMEMBRANCE

In accordance with the Local Government Act 1972, Schedule 26 and the Local Authorities Cemeteries Order 1977, the Falmouth Town Council being the Burial Authority for the Parish of Falmouth resolved at their meeting on the 21st January, 1991 that the following Regulations will operate with regard to the interment of cremated remains and erection of memorials in the Garden of Remembrance Phase V, Falmouth Lawn Cemetery situated at Swanpool Road, Falmouth.

For the purpose of these regulations, 'The Council' means Falmouth Town Council and 'Memorial' means any headstone, monument, cross, flatstone, kerbing or any other erection placed for the purpose of a memorial over any grave.

1. General Information

- Following the first interment of cremated remains, a flat memorial stone shall be permitted upon payment of the prescribed fee and that the overall height will not protrude above ground level.
- 1.2 The flat stone will measure 2 foot by 2 foot in materials of slate, granite or portland stone but not marble or such similar material.
- 1.3 The flat stone shall not exceed 6 inches in thickness with no part above ground level.
- 1.4 The flat memorial stone will be fixed end to end to the adjacent memorial flat stone.
- 1.5 The flat memorial stone measuring 2 foot by 2 foot may have, within that prescribed area, a circular flower container hole and any attachment thereto to protrude no more than 3 inches above the surface.
- 1.6 No floral holder or other type of attachment may be placed outside the prescribed area of 2 foot by 2 foot.
- 1.7 The Council reserves the right to remove from any grave any unauthorised items left on or around the grave space. Best efforts will be made to ensure that the owner of the grave will be informed in writing and the items will be retained at the cemetery for collection for 1 month. It is the grave owner's responsibility to ensure their contact details held by Falmouth Town Council are kept up to date. If the items are uncollected or they have to be removed on more than one occasion, the Council reserves the right to dispose of these items at its discretion without further consultation.
- 1.8 The Council reserves the right to remove and dispose of any floral tributes, plants etc that have withered and died or have become unsightly on any grave. Christmas wreaths will normally be removed by the beginning of February.
- 1.9 The plots within the Garden of Remembrance will not permit purchase out of rotation.

- 1.10 It will be a condition of purchase that the purchaser of the plot will be liable for the insurance of the flat headstone.
- 1.11 The purchase of the area in accordance with the prescribed fee will permit no more than two interments.
- 1.12 If the applicant does not wish to place a flat headstone on the plot, then the applicant is responsible for the upkeep of the area and is liable to do so.
- 1.13 No flat memorial stone shall be permitted without the consent of the Council and upon payment of the prescribed fees and deposit of the appropriate application form plus detailed sketch of the memorial which will include all measurements with regard to the depth of the memorial and the position of the flower container hole and inscription proposed.
- 1.14 All flat memorial headstones inclusive of floral holders (non glass for safety reasons) shall remain at the sole risk of the purchaser and the Council shall not be responsible for any damage or breakage which may occur to same.
- 1.15 No flat memorial headstones will be permitted to be taken from the Garden of Remembrance, except by order of Falmouth Town Council or the appropriate Officer.
- 1.16 Only one flatstone / memorial per grave space is allowed and must be in accordance with the Council's Memorial Regulations.
- 1.17 To ensure all memorial works comply and conform to BS8415 Standards all permanent memorials are to be constructed and installed by a Monumental Mason who is accredited to the British Registration of Approved Monumental Masons Scheme (BRAMM) or National Association of Memorial Masons (NAMM) to include registration on the Register of Qualified Memorial Fixers (RQMF).
- 1.18 No work is to take place in the cemetery before 8.30a.m. and after 5.00p.m. or sunset (whichever is sooner) unless agreed otherwise by the Cemetery Operative. No work will take place on Saturdays, Sundays or any bank or public holidays, except by agreement with the Council. Monumental Masons will be required to suspend work for the duration of a funeral.
- 1.19 Any damage done in connection with the erection of a memorial must be made good by the person erecting the memorial and the site left in a safe and tidy condition.
- 1.20 The responsibility for the safety and upkeep, including repairs to any gravestone or memorial remains solely with the owner(s) of the grave or their successor(s) in title.
- 1.21 The Council will make regular checks of memorial in accordance with its Memorial Safety Policy.

2. Erection of a Flatstone / Memorial

- 2.1 An application form for all proposed memorials and inscriptions must be submitted to Falmouth Town Council for approval and all appropriate fees paid, prior to any works being undertaken on site. This form will usually be submitted by an accredited Memorial Mason and should include detailed sketch and measurements of the memorial.
- 2.2 No memorial is to be installed unless a permit has been granted. On receipt of permit accredited Monumental Masons to liaise with the Cemetery Operative, when to attend the site to undertake the work, check the permit detail with him, and agree with him the correct grave/permit location before commencing any work or removing any memorial.

- 2.3 The Council recommends that grave owners obtain a guarantee from the Memorial Mason for all work they carry out and arrange for the Memorial Mason to check the memorial for defects every 5 years.
- 2.4 The Council carries out regular inspections of memorials and reserves the right under current Health and Safety legislation to 'make safe' any defective memorials found in accordance with its Memorial Safety Policy.
- 2.5 All memorials (including memorials being re-fixed after a burial has taken place and those found to be unsafe after memorial testing has taken place) are to be fixed in line with the National Association of Memorial Masons (NAMM) approved standard and code of safe working practice. This states the minimum requirements for the fixing of memorials.
- 2.6 If an additional inscription involves the supply and fixing of a new plinth or further section of stone then a sketch of the proposed stonework showing details is to be supplied and approved by the Council as per 2.1 above.
- 2.7 Additional 'free-standing' / unattached plinths or non-fixed stonework etc will not be permitted.
- 2.8 Repairs to memorials are to be carried out by an accredited Memorial Mason. An application for permission to carry out repairs should be submitted to the Town Council.
- 2.9 Pursuant to the Local Authorities Cemeteries Order 1977 the Town Council reserves the right to remove any unauthorised memorial.
- 2.10 Any unauthorised work is undertaken at the persons own risk.

3. Exclusive Rights of Burial

- 3.1 By Article 10(6) of the Local Authorities Cemeteries order 1977, no body must be buried, or cremated remains interred or scattered, in or over any grave or vault in which an exclusive right of burial for the time being subsists except by, or with the consent in writing of, the owner(s) of the right.
- 3.2 The lease period for granting of Exclusive Rights of Burial is 50 years and the grant can be issued in single or joint ownership (up to a maximum of three individuals).
- 3.3 The Exclusive Rights of Burial must be purchased before a memorial can be placed on a grave space.
- 3.4 Written consent for any memorial works is required from the owner(s) of the Exclusive Rights of Burial to be submitted to the Council. In the case of multiple ownership all signatures will be required to erect a memorial.
- 3.5 Transferring of Exclusive Rights of Burial may be assigned by Deed or bequeathed by Will for which sight of a legal document is required by the Council. A Form of Assignment is issued by the Council at the time of purchase of the Exclusive Rights of Burial. Further information regarding the procedure for the transfer of ownership during the life of the registered owner can be obtained from the Council Office.

4. Vandalism

4.1 The Council does not accept any liability in the event of the memorial being vandalised.

5. Safety of Memorials

- Under the provisions of the Health and Safety at Work Etc Act 1974 and associated legislation and in accordance with the Local Authorities' Cemeteries Order, 1977, the Council is obliged to assure safety within the Cemetery and to have a documented memorial inspection programme in place. The inspection programme will identify unsafe memorials and ensure that they are made safe by whichever method is appropriate. There is also a requirement for the Authority to ensure that new memorials are properly and securely erected to ensure long-term safety of visitors to the cemetery.
- 5.2 The Council will carry out a programme of regular checks of memorials. Further information on this programme of memorial safety testing is available from the Council Offices.
- 5.3 The Council reserves the right to remove unsafe memorials at its discretion if the owner or successor cannot be found.

6. Review and amendment of Regulations.

These Regulations form part of the Regulations and Scale of Fees and Charges applicable to the management of the Falmouth Cemeteries under the jurisdiction of the Falmouth Town Council who reserve the right to alter or vary the foregoing Regulations or to deviate therefrom in any particular instance if it shall appear to the Council desirable so to do.

MEMORIAL SAFETY POLICY

Background

- 1. Under the Health and Safety at Work Act the Council has an overriding responsibility to ensure as far as reasonably practicable the safety of the cemetery that it is responsible for, this includes the identification and control of hazards from unstable memorials.
- 2. Through this policy and its actions the Council will seek to balance the risk of injury from unstable memorials with the sensitivities of carrying out works in the cemetery.

Pre Inspection Advice

- 1. Memorials will be risk assessed and tested accordingly for safety.
- 2. Notices are to be permanently displayed informing the public of the Council's intention to monitor and test headstones for safety.
- 3. The Council will also announce its intentions via social media.

Memorial Inspection

- 1. The council will risk assess and test memorials in accordance with the guidelines issued by the Institute of Cemetery and Crematorium Management and taking account the Ministry of Justice Guidance Managing the Safety of Burial Ground Memorials.
- 2. The inspection programme will involve three elements (a) the initial inspection and testing of memorials; (b) immediate and temporary stabilisation of any memorials identified as unsafe; and, (c) thereafter, contacting the owner to further the repair/making safe of memorials which have been stabilised temporarily.
- 3. All inspections will be carried out in accordance with the "Institute of cemetery & Crematorium Management" guidance document "Management of Memorials."
- 4. The Council will undertake further inspections of the memorials using a risk based approach with a minimum frequency of at least once every five years, as recommended by the Institute of Cemetery and Crematorium Management and the Local Government Ombudsmen.
- 5. If it is deemed necessary following the initial inspection, more frequent inspections will be undertaken on individual memorials whose conditions require it.

Making Memorials Safe

1. The 'laying down' of memorials or sinking or memorials into the ground vertically shall be carried out where the course of action is necessary to prevent a genuine hazard to health and safety. If following the inspection it is deemed necessary to make safe any unstable memorials, best efforts will be made to contact the owners so they can put in place arrangements for the repair / or otherwise of the memorial. It is the responsibility of the grave owner to keep their contact details held by the Council up to date. This approach is endorsed by both the Institute of

Cemetery and Crematorium Management and the Local Government Ombudsman. The Council's duty to ensure the health, safety and welfare of employees or contractors working on behalf of the Council and those visiting the burial ground, will remain the Council's highest priority, memorial stabilisation work will be carried out in a sympathetic and sensitive manner.

- 2. If no response or a negative response is received from the owner of any memorials, the Council will take a decision as to how the memorial shall be made safe permanently. In doing so, the Council will consider laying it flat, sinking it into the ground vertically or removing it.
- 3. The responsibility for maintaining a memorial in a safe condition is that of the grave owner. Individual owners contacted following the identification of unstable memorials will be offered the opportunity to rectify any identified problems. Owners will be required to ensure all repairs are carried out by an approved NAMM or BRAMM accredited Monumental Mason, in accordance with the National Association of Memorial Masons Code of Practice and as provided in British Standard, BS 8415.

MEMORIAL TESTING POLICY

Following the risk assessment memorial inspections will be carried out in accordance with the guidance set out below issued by the Institute of Cemetery and Crematorium Management.

Generic Memorial Stability Test

- All memorials will be subject to a visual inspection.
- All memorials up to 2.5 metres will be subject to a hand test by a suitably trained Falmouth Town Council employee.
- All those below 500mm will be risk assessed to decide on the most suitable type of inspection.

The following additional actions will be carried out as set out below:

Kerbs

Kerbs will be inspected, by hand, for stability and secure fitting.

Plinths/Lawn Memorials

Memorials shall be inspected to ensure they are in sound condition and for any trip hazards.

Memorials below 500 mm

A risk assessment should be carried out to assess whether there would be any real benefit in applying full pressure test of 350 Newtons (circa 35 kg).

Vases

Vases will be inspected by hand for secure fitting.

Inspection Records

Every memorial must be risk assessed and physically inspected and a record made of the results. Records should include information that will inform the frequency of future inspections, location details, grave number. Any memorial of particular concern will be photographed information .

MEMORIAL SAFETY POLICY

The memorial safety policy is based on a risk assessment approach. Following the inspection, as defined by the Council's adopted 'Memorial Testing Policy', each memorial will be assigned to one of four categories, as set out below:-

Cat.	Condition	Action
1.	Unstable and requires immediate attention and temporary stabilisation is considered inappropriate or unfeasible.	In the event that there is an immediate danger to the public or persons working in the Cemetery, the memorial will be laid down. Best efforts will be made to inform the owner.
2.	Unstable and requires immediate attention.	The memorial will be temporarily stabilised. Care will be taken making sure that no damage is caused to the memorial and all actions will be recorded. A notice will be displayed on / near the memorial warning / advising of its condition. ¹ Best efforts will be made to inform the owner.
3.	Stable and requires no immediate attention though will require re-inspection prior to next proposed inspection in five years time.	All actions to be recorded and a recommendation will be given on the time scale for re-inspection.
4.	Stable and requires no attention.	All actions recorded will be re-inspected in no more than five years time.

The categorisation of memorials will be established following an independent inspection of each memorial.

Following temporary stabilisation, action will be carried out in line with 'Making Good of Unstable Memorials' as set out in the Memorial Safety Programme.

FALMOUTH NEIGHBOUEHOOD DEVELOPMENT PLAN

RESPONSE TO INDEPENDENT EXAMINERS CLARIFICATION NOTE BY FALMOUTH TOWN COUNCIL

PLAN/POLICY REFERENCE	RESPONSE OF EAT MOLITH TOWN COLINGIA
Policy approaches affecting land outside the neighbourhood area (Guidance Notes HR1-3, and FOS7)	
	Unfortunately, planning permissions and master-plans are rapidly being processed, and it may be that the opportunity to achieve the desired level of integration is slipping away. However, it is possible that PPs expire, sites change hands, and that further sites may come forward so the retention of the guidance notes in some form is very desirable.
	There is currently a boundary review in process, which may lead to the expansion of the FTC area to cover the land that the guidance notes relate to. If this were to occur the guidance notes would form a useful interim policy position pending an extension of the Falmouth NDP area in a future review. It is noted that the draft Budock NDP does not refer to the issues of sustainable development in these areas.
	FTC suggest that the Guidance notes could be extracted and included in a separate section, possibly at the end of the Plan (as a new Section 13) or added to Section 4.
	The new cemetery development referred to in FOS 7 has now been permitted and funded, so the note could be reduced to a lower-case reference.
Policies HR4, HR6, TC2 and TC3 include reference to the need for construction environment management plans. I do not disagree that such work may be required. Nevertheless, the need for such work is a process requirement rather than a policy. The same principle applies to Policy HR7 (community asset in perpetuity).	HR4, HR6, TC2, TC3: Accepted. The references to CEMPs were included largely in response to comments made by Natural England. HR7. Accepted. The reference to cohousing etc being allowed on sites 'where development would otherwise not be permitted' was thought to justify such a restrictions, in similar way to the restriction to local needs is achieved on rural exception sites.

Policy BE1 reads as an acknowledgement of the importance of the docks within the town rather than as a policy. Am I correct to assume that (with modifications) the policy is intended to be one which offers support the improvement and consolidation of maritime facilities?	Accepted. However, the policy very much reflects strong local aspirations so FTC request that the phraseology be retained but as supporting text, perhaps in bold or boxed to make the point obvious.
Policy DG2 simply appears to repeat exist local policy? As such is it necessary?	Accepted in part. In view of the Town's very strong heritage and attractive location, FTC believes its necessary to have an obvious and strong requirement about design in general, requiring some form of test. The policy has so far been found very useful when commenting on planning applications, especially where the Design and Access statement has been weak. A suggestion for an alternative wording, capturing the need for applications to show evidence that the design is related to the guidance, would be welcome.
Policies TC2-4 set out a comprehensive approach towards the development of these important sites. Have they been assessed for the viability and deliverability of their proposals?	Yes. Indicative assessments were carried out on a broad scale which indicated that a public sector intervention would be required. This has now been carried forward into the activity of the multi-agency Falmouth Place—Shaping Board and its Working Group, in which the NDP schemes are identified as a Priority Project. Falmouth has a Coastal Community Team and is also eligible for Coastal Communities Funding and the Coastal Revival Fund.
Is the approach on Church Street Car Park in Policy TC2 2ii (Contamination Remediation Strategy) reasonable? In particular does it effectively require any new development to resolve pre-existing issues?	Falmouth TC regard the requirements for remediation of the existing contamination at Church Street Car Park under TC2.2ii as being essentially unreasonable, and would prefer to have required that any development should not disturb the existing contamination or make it worse, i.e. referred to containment rather than remediation.
As I read the various parts of the Plan the implementation of Policies HR4 and 5 has the potential to conflict with Policy FOS5.	Yes, the potential conflict was considered. HR4 is intended to facilitate the ambition of Falmouth AFC to relocate whilst being in accordance with FOS5 by requiring in HR4.1i that alternative playing field provision 'of at least equal standard can be provided in a location that is accessible by walking, cycling or public transport, and does not result in an increase in off-site parking' would be necessary.
	In Policy HR5 the reference to sites HR5.1, HR5.2 and HR5.5 do not lead to any loss of open space and accord with FOS5.
	Site HR5.3 includes a small amount of land at the rear that could be developed to provide income to regenerate the existing building and upgrade the adjacent playing fields and fund an all-weather and multi-use pitch to result in an overall increase of sport provision.
	Site HR 4.4 Falmouth RFC site includes a small amount of land within the site that could be developed to pay for improvements to the club's facilities with no negative impact on available sport provision.
	Pages 74 to 79 of the Strategy Report refer in more detail.

The Plan includes a series of criteria-based policies (BE3/5/6).	Accepted.
TC1/TCON2 – I can see the relationship between the policies and the preceding Policy Justifications (and in the case of TC1 the blue/grey Strategy box text). However, the policies read as a combination of the relevant strategy and a policy. I am minded to recommend modifications to the policies so that they support a series of land use matters that arise from the Policy Justification/boxed Strategy.	Accepted. However, FTC took the view that the NDP and its policies is not just about setting criteria for planning decisions but also an opportunity to express a clear strategy for the future of the town and ensure that its land use policies serve the purpose of that strategy. Whilst much of this can be expressed through 'Strategy Boxes' in the supporting text, certain elements appeared appropriate for inclusion in the associated policies. The Independent Examiner's assistance on this would be appreciated.
CUL2 – The policies are gener ver, they fail to acknowledge isals will be permitted developm minded to recommend modi es so that they acknowledge opment issue.	BE12. Accepted, the policy was intended to cover situations where a home-based enterprise had grown to the extent of in some way requiring planning permission. Perhaps the supporting text could make this clear. CUL2 Actually the policy is in two parts. The first about loss of facilities and would broadly accord with Cornwall Local Plan Policy 4 and NPPF Paras 83.d. and 92. The second part is about retention and expansion through development, and covers the situation where planning permission is required. There may be a better way to express these intentions, and the Independent Examiner's assistance on this would be appreciated.
CUL3 — The approach in the policy is well-founded. Nevertheless, it is not land use based	Accepted.
in HMO2 how could Cornwall Council effectively monitor and enforce the second criterion of the policy (undergraduate students)?	Accepted, this would be very difficult to achieve and enforce. Also, it is envisaged that such developments would by the nature of the legal agreement necessary under the terms of the policy not be practical nor attractive to landlords of student accommodation, whilst individuals would be unlikely to wish to enter into the longer term provisos required.
Observations on Representations	Falmouth TC note the expression of local support for the NDP expressed in the large majority of representations received and strongly supports the comments made by Falmouth Civic Society. With reference to the representations made by developers, FTC feel that they have largely been addressed in the comments made above, and by the body of evidence supporting the Falmouth NDP, and at this stage no further observations are necessary.
