## **F6737 TOWN CLERK'S PART I REPORT**

### **Markets on The Moor**

The Town Clerk reported on costings and operational matters for the Thursday and Saturday market which traded March to December annually. Whilst the community benefit of the operation was tangible the current challenges included issues with collecting fees, traders behaviour, gazebos were near to the end of their useable life and the current budget constraints which were making the subsidy difficult to sustain.

It was proposed by Councillor Kirkham, seconded by Councillor Eva and

**RESOLVED** that.

1. Market fees be set so that the operation of the Thursday and Saturday markets at least break even in terms of costs to the Council.
2. No stall holder will be allowed to operate if in arrears.
3. Payment to be received in advance and as a block booking for stall holders to be able to trade.
4. Reinstatement of the bollards outside the Municipal Buildings.
5. All traders will be directed to the Council's Civility and Respect Pledge and its requirements; any breaches of that will see stall holders unable to trade.
6. Continue with a 10 months per year operation, with fallow January and February
7. Otherwise look to operate a similar model as the farmers market operation.

## FALMOUTH TOWN COUNCIL

Meeting of the Princess Pavilion Working Party held on 12<sup>th</sup> January 2023 at 4pm at the Princess Pavilion, Melville Road, Falmouth.

Present: Councillors J R Robinson (Chair), D Clegg, S D Eva, E E Seiler, J M Spargo and Z Young.

In attendance: A M Williams (Town Clerk)  
R J Gates (Town Manager)  
R N Thomas (Responsible Financial Officer)  
A Medlin (Facilities Manager)  
M Palmer-Williams (General Manager – Princess Pavilion)  
C Marshall (Bookings Officer – Princess Pavilion)

### **PP40 APOLOGIES**

None received.

The Chair welcomed Councillor Clegg to the Working Party and the General Manager and the Bookings Officer into their new roles with the Council.

### **PP41 INTERESTS AND DISPENSATIONS**

None received.

### **PP42 MINUTES**

It was proposed by Councillor Eva, seconded by Councillor Robinson and

**RESOLVED** that the minutes of the meeting held on 9<sup>th</sup> November 2022 be agreed.

### **PP43 STAFFING**

The Town Clerk reported upon the appointments of the General Manager and Bookings Officer. As well as the Hospitality Manager (Josh Hendy) who was to start shortly, The Venue Manager position was being recruited. The General Manager was working with the Facilities Manager to better utilise Premises Co-ordinator support and would review contract cleaning costs.

The Chair advised that the Council had instigated a recruitment freeze given the current budget constraints. The Town Manager and General Manager advised that the site needed to be at staffing capacity for it to continue to grow and develop and to move towards achieving the income targets that the Council expected. There was an operational need for the Venue Manager role if the site was to not merely stand still.

It was proposed by Councillor Robinson, seconded by Councillor Clegg and

**RESOLVED** that the current Venue Manager recruitment proceeds for operational necessity (should that prove unsuccessful then to readvertise as a job-share role).

**PP44 REVIEW OF TRADING**

The Chair was concerned at the level of scrutiny as the operation built towards capacity. She recognised that the site needed to develop and was pleased that the Council had taken on the Pavilions, she requested that monitoring and Councillor input was now improved. Councillor Eva felt it was difficult to set budgets until a full year of trading figures was available for comparison.

The General Manager would provide show breakdowns. Wet sales coming in-house would improve income and hire charges were being revisited. The Responsible Financial Officer advised it was a requirement to publish fees and charges rates and that was being done.

**PP45 FUTURE OPERATIONS AND BUDGET**

The General Manager felt the operating model and business plan was still sound and it now needed more refined execution. He would review charging and develop the programme. Promote availability for corporate events. It was essential community use was maintained and encouraged. Compliance was a focus. He was reviewing budgets and would identify savings where possible. He would meet monthly with the Working Party Chair, and other Councillors as necessary. He hoped to make further and better use of volunteers and revisit booking and box office arrangements.

The Council's website review and reintroduction of the Town Guide would give the site more local profile. Site signage was also being revamped. Clearance of the Stable Yard would enable better facilities for touring band vehicles.

The Facilities Manager updated on premises and compliance matters. The Chair noted that the bar alterations could be amended to realise some savings and that solar panel provision could be delayed to the following financial year. The Responsible Financial Officer advised that whilst utility costs would rise significantly predications were starting to reduce. The refurbishment to the Cottage would realise additional letting income.

There being no further business to transact the Chair closed the meeting at 5.10pm.
