

Falmouth Green Corridor Forum

Draft Activity Plan (issue 01 17/05/19)

Project /Activity Title	Detail	Delivery/Funding	Priority
Habitat survey	Commission survey broadly in line with proposal outlined by Cornwall Wildlife Trust (CWT) contained in proposal document	CWT as a member of the Forum may fund or support this project	
Descriptive map	Prepare a map of the FGC, similar in detail and presentation to that produced for Tregonigge Woodland	A Forum member has a contact with graphic design capabilities	
Catchment area map/leaflet	Prepare a basic map showing the extent of the Bickland Stream catchment area. Possibly include in a resident's information leaflet	Environment Agency to lead this item	
Signage	Prepare signs/interpretation boards to be positioned at strategic points throughout the corridor.	Falmouth BID may be a funding source. Or a business sponsor	
Logo	Design and adopt a logo and styling to be included on Forum documents, publications, website, etc.	Possible project for school/university	
Pollution/condition monitoring	Prepare a structured programme for monitoring and recording pollution incidents, fly tipping, invasive species and other conservation matters.	Forum to discuss	
Visitor leaflet/walks	Prepare a publicity leaflet promoting the green corridor. Consider guided walks.	Town Management team. Possible business sponsor	
Education programme	Prepare an education programme outlining the structure and ecology of the green corridor together with conservation guidelines for residents. Consider The Environment Agency's "yellow fish" initiative	Forum to discuss	
Video	Produce a video of the green corridor for use in promotion and education	Based on the Swanpool video	
Website/Social media	Consider developing a Forum website and other social media presence	Town Management to advise	
Non-adopted sites plan	Investigate mapping/conservation/enhancement of sites such as Queen Anne Gardens, Upper Bickland Stream catchment area, etc	Forum to discuss	
Planning & Development	Campaign to protect the corridor from development implications	Forum to discuss	
Public relations	Consider press releases, launch event, open days, etc	Forum to discuss
